WELCOME TO CHURCH.

BELIEVE WITH US.

we're glad you're here,
you've made our day!

Welcome!
TO NEW LIFE

We are so excited that you chose to be a part of the service today at New Life! We hope that your experience is memorable as you encounter the life changing message of Jesus Christ. We realize there are many other places you could be right now, and we are honored that you are here with us!

GET CONNECTED

Every step of your journey is important to us. One of the greatest ways to walk in that special place that God has for us is to read the promises in His Word for our lives. We would be honored to help you discover those promises. Ask our Guest Team about getting started.

OUR MISSION

LOVE GOD.

More than just practicing religion, God desires a personal relationship with you. Sunday services at New Life are where we help people develop that relationship, and we'd love for you to join us again. You can find a list of all the available service times at nlpc.net

GROW IN FAITH.

God's process for you to grow stronger in your faith begins with having the right people in your life. He designed us for community, and connecting with each other is how we find life-changing relationships at New Life.

SERVE OTHERS.

You are an important part of God's plan, and your life will never make sense until you find a place to make a difference in the life of someone else. New Life is all about empowerment through God's Spirit to best connect with and serve others in our family and community.

GO CHANGE THE WORLD.

This is God's ultimate plan for your life, and our greatest desire for you as well. Nothing is more gratifying than having an authentic relationship with Jesus that not only transforms us personally, but also inspires and equips us to truly impact our world!
